

RP3175

INFLATION 12 VOLT Tire and Raft Inflator

CONVENIENT

Ideal for storing in car trunk
Powered by 12 volt outlet

VERSATILE

2 in 1 Design – inflates tires
and rafts

Use high flow raft inflator to
inflate air mattresses, rafts
and other low pressure, high
volume items

BUILT IN PRESSURE GAUGE

Built in pressure gauge allows
you to monitor tire pressure
while you are inflating the tire to
keep your tire running safely
and maintaining fuel efficiency.

SAFE

Includes light for nighttime
and roadside emergencies.

INCLUDES

Two inflation nozzles and one
inflation needle for sports balls

On board storage for hose, cord
and accessories – helps keep
your car clean and organized

50 POINT QUALITY INSPECTION

All CH Inflators are engineered and tested in the USA and go through
a vigorous 50 pt. quality inspection
