

with **EASYCONNECT™** technology

## A powerful clean with **NO leaks and on-site storage for hose and accessories**

This is the perfect mid-range pressure washer. With a 1900 PSI, it's more powerful than the PW1350 – but it's still lightweight and priced lower than other comparable units. The PW1825 is ideal for those tougher jobs like cleaning RVs, boats, cars, outdoor play equipment, patio furniture and more.

**With the PW1825, your customers can:**

- Clean all kinds of surfaces – our **EASYCONNECT™ tight connection points** allow for easy changing of accessories and seamless switching between applications.
- Enjoy mess-free pressure washing – our **EASYCONNECT™ tight connection points** are designed to prevent leaking.
- Transport easily between locations - customers will appreciate that our pressure washers *weigh less than most units*, so they can position them where needed.
- Keep track of all accessories – *convenient on-site storage* helps prevent accessories from getting lost.
- Store their washer almost anywhere – with a *smaller product footprint*, PW1825 can be tucked away in a closet, car trunk, basement, garage or other small space
