A BETTER MULTI-TASKER FOR A CLEANER YARD.

The all-in-one Chipper Shredder Vacuum is the ultimate multi-tasker. It not only vacuums lawn debris, but also chips branches and shreds leaves. Its 2-bushel, wide-mouth collection bag is extremely easy to empty, so you can clear more debris with less downtime. Plus, it's powered by an efficient 173cc Cub Cadet® OHV engine and 2-year warranty†. So you can have professional results for years to come. Without paying a professional.

INNOVATIVE FEATURES FOR AN INCREDIBLE EXPERIENCE. THAT'S THE **CUB CADET ADVANTAGE.**

HIGH REAR WHEELS

Durable 8" ball bearing front wheels and high 12" ball bearing rear wheels make pushing it and maneuvering it around the yard easy.

7' ON-BOARD VACUUM HOSE

Comes in handy for getting into tight spaces and makes cleaning up beds and gardens easier. It's easy to go behind shrubs and other hard-to-reach areas.

1.5" CHIPPING CAPACITY

Built tougher to devour twigs and branches quicker than ever before. You can chip thicker twigs and branches in less time.

FRESHER MULCH FOR A MORE BEAUTIFUL YARD.

At the heart of the Chipper Shredder is the robust impeller. This core enables the Chipper Shredder to cut faster and more efficiently, so you get finer wood chips and refined yard debris reduction.

BETTER FEED SYSTEM

Easily turn your debris and tree branches to mulch, compost or wood chips with the efficient 2-way feed system so you'll be faster and more efficient when clearing yard debris.

POWERFUL ENGINE

Get quieter, cleaner and more fuel-efficient results with the Cub Cadet® OHV engine. The engine provides the power so you'll have lighter loads at the end of the day.

LARGER CHIPPING CAPACITY

Dispose of branches and twigs up to 2" diameter with increased chipping capacity. This saves you time from having to manually dispose of branches.
