Premium performance in a compact package. The K 3.48 M, with its advanced induction motor built to improve performance and prolong motor life by up to 3x, delivers an amazing 1800 PSI. That's more than 35X as much pressure as a garden hose! Equipped a top mounted detergent tank that offers convenient access to reduce cleaning time, this unit is ready to tackle any cleaning project. Simply fill the detergent tank, attach the Vario Power Spray (VPS) wand and dial up the right amount of water pressure for the job. For tougher projects, attach our patented DirtBlaster® spray wand, which increases the effective pressure by up to 50%!
