

INTRODUCING...

SHARK JETTERS

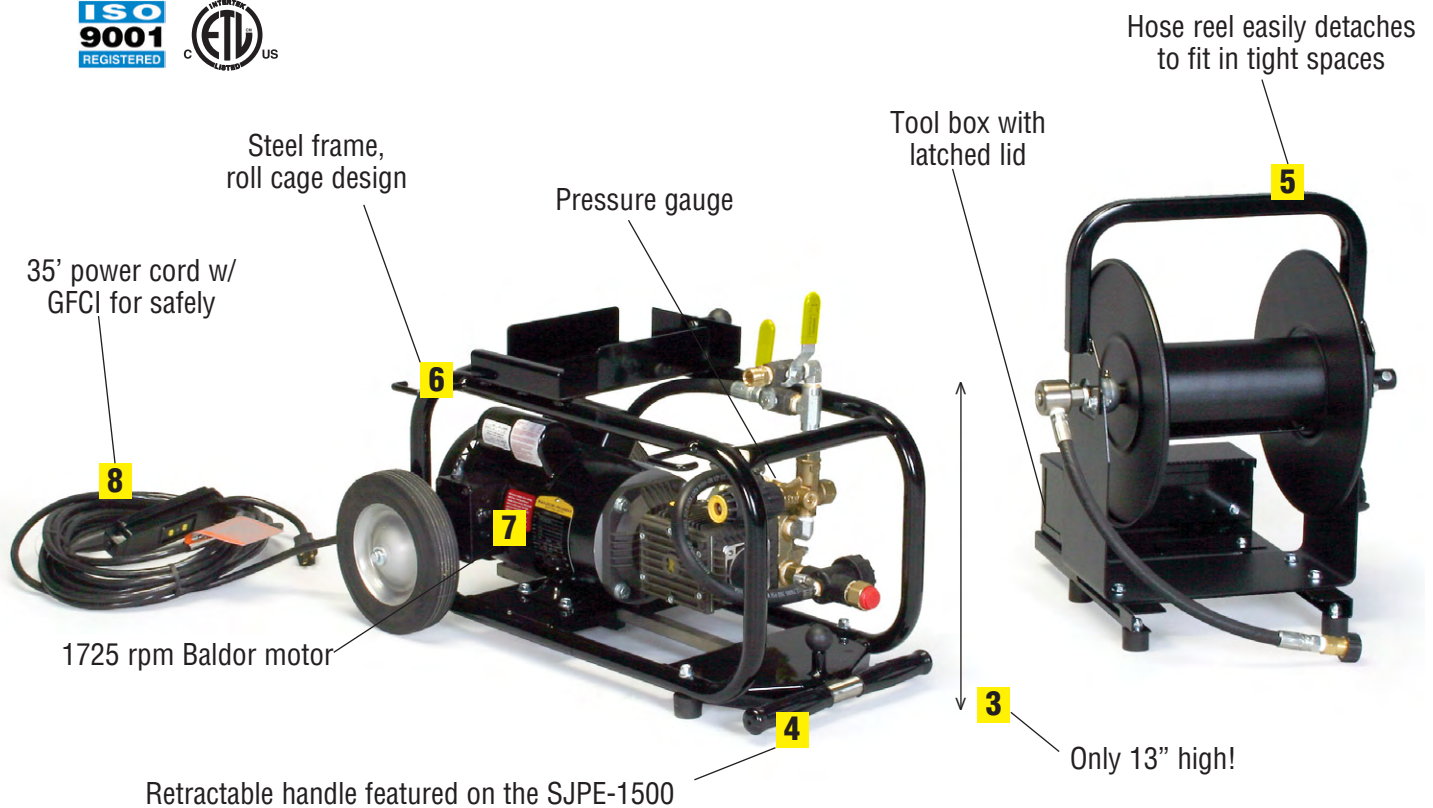

HIGH PRESSURE DRAIN CLEANING EQUIPMENT
FOR PLUMBING PROFESSIONALS

THE POWER TO BITE THROUGH TOUGH CLOGS!

8 Reasons Why Shark Jetters Are a Great Investment

- 1. Proven** - Over 15 years of experience manufacturing jetters! All Shark Jetters are built in an ISO-9001 certified plant.
- 2. Easier than a Snake** - Shark Jetters are cleaner and more efficient than using snakes, saving you time!
- 3. Easy to Transport** - The small footprint of Shark's Electric Jetters make them easy to fit in vans, trucks and even the trunk of cars!
- 4. One Person Operation** - Shark's Electric Jetters are light and compact, designed for one person operation.
- 5. Fits in Tight Workspaces** - Many models are compact to fit in some of the tightest work areas.
- 6. Durable** - Shark Jetters are built with heavy-duty steel frames, triplex pumps, Honda and Vanguard engines.
- 7. Long Lasting** - Shark Electric Jetters feature 1725 rpm industrial Baldor motors. Shark Gear-Drive Gas Jetters feature a 2 to 1 gear reducer to extend the life of the pump.
- 8. Safety** - All Shark Jetters are ETL certified to UL-1776 safety standards. Safety features on Shark Jetters include a thermal relief valve, back flow check valve, inlet filter and pressure gauge and wheel brake assembly on 4-wheeled carts.

PULSE
Technology

Engineered to do the hard work so you don't have to! The pulsating action breaks the friction between the hose and pipe, allowing the hose to move easily through the pipe, especially around tight curves. This added burst of power effectively breaks up tough stubborn clogs. Pulse Technology makes it easy for the hose to maneuver in narrow drain lines around sharp corners that would otherwise stop the hose in its tracks.

ELECTRIC MODELS

SJHE-1500: LIGHT WEIGHT

Small footprint. Fits in tight work spaces. One person operation.

22" x 14" x 13"
Net Wt: 71 lbs.

1.106-045.0

- 1.7 GPM
- 1500 PSI
- 1-1/2 hp motor/13 amp
- Heavy-duty triplex pump
- Thermal relief valve
- Inlet filter
- Pressure gauge
- ETL safety certified

SJPE-1500: PORTABLE

Retractable handle. Removable 200' hose reel. Easy one person operation.

27" x 17.5" x 32"
Net Wt: 105 lbs.

1.106-046.0

- 1.7 GPM
- 1500 PSI
- 1-1/2 hp motor/13 amp
- Heavy-duty triplex pump
- Thermal relief valve
- Inlet filter
- Pressure gauge
- 200' hose reel included
- Metal tool box included
- ETL safety certified

SJPE-1650: CART DESIGN

Convenient cart design. Flexible design. Easily remove jetter from cart to fit in tight spaces.

26" x 26" x 38"
Net Wt: 130 lbs.

1.106-048.0

- 1.7 GPM
- 1500 PSI
- 1-1/2 hp motor/13 amp
- Heavy-duty triplex pump
- Thermal relief valve
- Inlet filter
- Pressure gauge
- 200' hose reel included
- Heavy-duty steel cart
- Metal tool box included
- ETL safety certified

GAS MODELS

SJDDG-3011: ECONOMICAL GAS MODEL

Direct-drive pump. Handtruck design. Easy to maneuver.

1.107-063.0

- 4 GPM
- 3000 PSI
- 389cc Honda gas engine
- Heavy-duty triplex pump
- Thermal relief valve
- Inlet filter
- Pressure gauge
- 200' hose reel included
- Metal tool box included
- ETL safety certified

25.5" x 28.5" x 42"
Net Wt: 173 lbs.

SJGDG-3013: CLEAR LARGE LINES

Powerful. 2 to 1 gear reducer. 300' hose reel.

1.107-067.0

- 4 GPM
- 3000 PSI
- 389cc Honda gas engine
- Heavy-duty triplex pump
- Thermal relief valve
- Inlet filter
- Pressure gauge
- 300' hose reel included
- Metal tool box included
- ETL safety certified
- Includes spray wand & chemical injector

40" x 24" x 42"
Net Wt: 203 lbs.

SJGDG-3016: 5.5 GPM FLOW

Highest flow without needing holding tank. 2 to 1 gear reducer.

1.107-060.0

- 5.5 GPM
- 3000 PSI
- 480cc Vanguard gas engine w/ electric start*
- Heavy-duty triplex pump
- Thermal relief valve
- Inlet filter
- Pressure gauge
- 300' hose reel included
- Metal tool box included
- ETL safety certified
- Includes spray wand & chemical injector

35" x 29" x 47"
Net Wt: 280 lbs.

*Battery not included

SJGDG-3020: 8 GPM FLOW

2 to 1 gear reducer. 12-gallon buffer tank. 614cc electric start engine.

1.107-061.0

- 8 GPM
- 3000 PSI
- 614cc Honda gas engine w/ electric start*
- Heavy-duty triplex pump
- Thermal relief valve
- Inlet filter
- Pressure gauge
- 300' hose reel included
- Metal tool box included
- 12 gallon holding tank
- ETL safety certified
- Includes spray wand & chemical injector

43" x 29" x 47"
Net Wt: 375 lbs.

*Battery not included

Shark Jetter Accessories

Shark offers many jetter accessories to give you the tools you need to unclog any drain. The added benefits of competitive prices, in-stock availability, prompt delivery, a broad selection of quality parts, and solid factory support means you'll never have to shop anywhere else again.

HOSE	FOOT PEDALS	VALVES / UNLOADERS
		
NOZZLES	QUICK COUPLERS	HOSE METERS / GAUGES
		
HOSE REELS	TRIGGER GUNS / WANDS	FILTERS
		
PUMPS / PUMP OIL	DETERGENTS	SAFETY ACCESSORIES
