

Wire Feed Welders & Plasma Cutter

Key Features

- Heavy gauge 6 ft. grounding wire included for improved performance

7288
Plasma Cutter

7283
115V MIG
Welder

7643
90A Flux
Welder

7281
100A Flux
Welder

- Thermal protection with warning light to prevent overheating and damage

- MIG Models feature a steel drive system for higher duty cycle applications and ultimate reliability

Product Specifications

Model #	Description	Duty Cycle	CSA Approved
7643	Flux Welder 90E	10% at 90A	Yes
7281	Flux Welder 100E	10% at 100A	Yes
7282	MIG Welder 140E	20% at 65A	Yes
7283	MIG Welder 190E	15% at 145A	Yes
7288	Plasma Cutter	35% at 40A	Yes

Manufactured by

84 Commercial Rd. Huntington, IN 46750
