

YTH2242

A twin-cylinder 22 hp Briggs & Stratton Intek engine and 42" deck design are just two highlights of this mower. You can easily move forward and backwards with the YTH2242's pedal-controlled hydrostatic transmission. 2 anti scalp wheels on the deck prevent scalping of your grass in uneven terrain. Additional features include 6-position cutting height adjustment, an 18" turning radius and comfortable 13" high back seats. Like our other tractors, the YTH2242 has a welded frame and cast-iron front axle for greater durability.

BRIGGS STRATTON INTEK V-TWIN

Two-cylinder engine provides longer life for the most demanding jobs. Features full-pressure lubrication, an advanced debris management system, and a mechanical compression release for reliable starting.

PEDAL-OPERATED HYDROSTATIC TRANSMISSION

Easy speed and direction control with pedal-operated hydrostatic transmission. Separate pedals for forward and reverse.

FENDER-MOUNTED CUTTING HEIGHT ADJUSTMENT

Easy accessible cutting height adjustment for improved ergonomics. The spring-assisted cutting deck makes adjustment easier.

YEAR-ROUND USE

A wide range of accessories makes our tractors versatile and useful all year round. They can be fitted with trailers, snow blades, brushes and more.

Features

- Adjustable seat, while seated
- Step-through for easy mounting
- Air Induction; excellent cutting performance
- Anti-scalp wheels
- Cruise control for comfortable operation
- Cast front axle for superior stability
- Pivoting front axle for balance and comfort
- Large, wide rear tires for improved traction
- Hour meter with service minder
- Headlights for operation in dark conditions
- Cup holder for refreshments while mowing

TECHNICAL DATA	
Engine manufacturer	Briggs & Stratton
Engine type	Intek V-Twin
Horsepower	22 hp
Cylinder displacement	721 cc
Cylinders	2
Fuel tank volume (with reserve)	3 gal.
Fuel tank location	Rear
Engine lubrication type	Full pressure
Oil pump	Yes
Oil filter	Yes
Transmission type	Hydrostatic
Hydrostatic type	Pedal-operated
Cutting width	42 inch
Cutting deck material	Steel
Cutting methods	3-in-1 Mulch/Rear Bag/Side Discharge Capable
Cutting height, min-max (approximate)	0.5 - 3.5 inch
Cutting height steps	6
Blade engagement	Manual
Blade type	High Lift
Air induction	Yes
Anti-scalp wheels	2
Nose roller	No
Frame Construction	Welded Steel
Steel Frame Thickness	14 Gauge
Seat type	13" high back
Step-through chassis	Yes
Steering wheel type	Standard
Fuel level window	Yes
Cast iron front axle	Yes
Headlights	Yes
Cruise control	Yes
Front-End Protection	None
Hour meter	Yes
Cup holder	Yes
Tire size (rear)	18 x 9.5 "
Turning radius, min	18 "
Homeowner Warranty	2 Year
