

THE DSRM-2600 STRING TRIMMER

Here are 4 things to know about the ECHO eFORCE DSRM-2600 String Trimmer

ECHO'S NEW 56V 17" STRING TRIMMER

The ECHO eFORCE DSRM-2600 is a lightweight, low noise, professional string trimmer. It utilizes a 56V brushless motor so that professional landscapers can expect a fast, efficient cutting performance from a unit that will feel like a gas-powered trimmer.

1 DESIGNED FOR HEAVY TRIMMING

2 ONE PLATFORM. ALL ECHO.

2.5Ah Lithium-Ion Battery
LBP-56V125

5.0Ah Lithium-Ion Battery
LBP-56V250

- Compatible with all ECHO eFORCE 56V tools and chargers
- On-board charge level indicator
- eCM Technology™ provides heat, charge and discharge management

4 WHAT SETS THE DSRM-2600 APART FROM THE COMPETITION?

COMFORT & CONTROL

- 3 speed settings for ultimate control
- 1.62:1 gear reduction provides better power at cutting head
- Speed-Feed® 400 cutting head for professional bump-to-advance trimming
- Utilizes SRM-2620 front handle and cutting shield

PRODUCTIVITY

- Large cutting swath allows for quick, efficient trimming
- Increased torque for superior cutting performance
- MAXOUT™ technology allows for maximum power output until full discharge
- Ideal for healthcare facilities, municipal property, retirement communities, schools, and other areas where quiet performing units are required

3 COMPETITIVE POSITIONING
