

30" STAINLESS STEEL WHIRL-A-WAY WITH CASTERS

INDUSTRIAL

MODEL: 85.403.032

FEATURES

- **One of the best attachments** for a pressure washer to clean large flat surfaces. The three rapidly spinning jets create a large, streak-free cleaned path greatly reducing the time and effort needed for projects such as parking lots, driveways and sidewalks.
- **Ergonomic twin handles** with built-in trigger makes it easy to operate and maneuver.
- **Four swivel casters** allow the whirl-a-way to glide over flat surfaces maintaining a consistent height for the spray nozzles to be as effective as possible.
- **Bristle skirt** keeps debris and overspray contained.
- **Quick connect** fitting in the end of the trigger gun quickly connects to the high-pressure hose.
- **Stainless steel housing** handles the toughest jobs and conditions, protecting the rotary arms and resists corrosion.
- **High temperature seals** allows this unit to be used with a hot water pressure washer.

Optimize your Surface Cleaner by ensuring it has the right spray nozzles for your pressure washer by following these steps:

- Check the orifice size of the spray nozzles that came with your pressure washer. It will be the last three digits stamped into the spray nozzle body.
- Divide the number on the nozzle by the number of nozzles on the whirl-a-way. Eg, 040 spray nozzle/3 = 13.33.
- Select a spray nozzle that is closest to the number.

COVER

MATERIAL:	STAINLESS STEEL
DIAMETER:	30"
SWIVEL CASTERS:	4
SPRAY NOZZLES:	3
NOZZLE ORIFICE:	020
NOZZLE THREADS:	1/4" NPT
PART NUMBER:	85.240.020

ROTARY ASSEMBLY

ROTARY HEAD:	85.791.004
ROTARY ARM:	85.792.101

PERFORMANCE

MIN PSI:	4000
MAX PSI:	5000
MIN GPM:	6.0
MAX GPM:	8.0
MAX TEMP:	148°/300°F

BOXED SIZE

LxWxH:	33" x 35" x 12"
WEIGHT:	65 LBS

UNIT SIZE

UNIT WEIGHT: **60LBS**

WARRANTY

DURATION:	90 DAYS
UPC:	777897294156
