

ALL NEW 2017 MODELS

Loaded with premium, commercial components, these all new splitters can tackle the toughest of woods with ease. The industrial I-beam provides added strength to prevent twisting. The premium hydraulic system keeps the splitter clean from contaminants and prolongs life. Powered by a Honda engine, these splitters are meant to cut your largest jobs down to size.

VH1724GC

24
TON

Operation	Horizontal/Vertical
Splitting Force	24 Ton
Engine Brand	Honda GC160
Engine Starter	Recoil
Engine CC	160cc
Max. Log Length	25"
Max. Log Diameter	16"
Wedge Height	8"
Auto Return	Yes
Hydraulic Tank Capacity	7 Gallons
Hydraulic System Capacity	8 Gallons
Cycle Time	13 Seconds
Pump	Two-Stage
Maximum GPM	11 GPM
Cylinder Diameter	4"
Cylinder Length	24"
Fenders	Optional
Max. Towing Speed	45 MPH
Log Cradles	Yes
Weight	500 lbs
Bed Height	28"
Dimensions (LxWxH)	83" x 41" x 39"
Consumer Warranty	2 Year Limited
Commercial Warranty	90 Day Limited

VH1730GC

30
TON

Operation	Horizontal/Vertical
Splitting Force	30 Ton
Engine Brand	Honda GC190
Engine Starter	Recoil
Engine CC	189cc
Max. Log Length	25"
Max. Log Diameter	16"
Wedge Height	8"
Auto Return	Yes
Hydraulic Tank Capacity	7 Gallons
Hydraulic System Capacity	8.5 Gallons
Cycle Time	14 Seconds
Pump	Two-Stage
Maximum GPM	13 GPM
Cylinder Diameter	4.5"
Cylinder Length	24"
Fenders	Optional
Max. Towing Speed	45 MPH
Log Cradles	Yes
Weight	525 lbs
Bed Height	30"
Dimensions (LxWxH)	83" x 41" x 41"
Consumer Warranty	2 Year Limited
Commercial Warranty	90 Day Limited

VH1737GX

37
TON

BRAVEPRO

Operation	Horizontal/Vertical
Splitting Force	37 Ton
Engine Brand	Honda GX270
Engine Starter	Recoil
Engine CC	270cc
Max. Log Length	25"
Max. Log Diameter	16"
Wedge Height	8"
Auto Return	Yes
Hydraulic Tank Capacity	7 Gallons
Hydraulic System Capacity	9 Gallons
Cycle Time	14 Seconds
Pump	Two-Stage
Maximum GPM	16 GPM
Cylinder Diameter	5"
Cylinder Length	24"
Fenders	Optional
Max. Towing Speed	45 MPH
Log Cradles	Yes
Weight	550 lbs
Bed Height	30"
Dimensions (LxWxH)	83" x 41" x 41"
Consumer Warranty	2 Year Limited
Commercial Warranty	1 Year Limited

VERTICAL/HORIZONTAL SPLITTERS

Features:

1. Powered by a Honda engine for powerful and reliable performance.
 2. Full, Industrial I-Beam construction for incredible strength
 3. A 4-Stage Hydraulic Filtration System prevents damage to the hydraulic system by removing metal particles and other micro particles that can contaminate and damage the machine. Components includes suction strainer, return line filter, breather cap air filter and magnetic drain plug.
 4. Log cradles catch split logs and serves as a work table for large logs
 5. Heavy-duty Log dislodger ejects logs that stick to the splitting wedge protecting the control valve and other hydraulic components from damage.
 6. Unique, high performance wedge design makes splitting easier and more efficient.
 7. Convenient lift handle provides added control for easier and safer transitions between the horizontal and vertical operating positions.
 8. Easily change from horizontal to vertical position in seconds.
 9. Nylon hydraulic hose sleeve comes standard and provides protection from:
 - Abrasive wear that can damage the hose
 - Accidental spraying from pinhole leaks
 - Sunlight which can break down the rubber
 10. Industrial cylinder with Halite seals keeps constant and consistent pressure while splitting.
 11. O-ring fittings on control valve make assembly easier and reduce leaks.
 12. Two-stage pump to handle even the toughest jobs.
 13. Manual tube conveniently keeps owner's manual handy.
 14. Sherwin-Williams powder coat paint to withstand heavy use and weather elements.
 15. Tow-ready with 2" ball hitch and chains.
 16. Highway-rated tires.
- *Fenders and engine guard optional*
