

**21R700**

# **Illustrated Parts List**

## **Model Series**

### **21R700**

TYPE NUMBERS  
0001-0115.

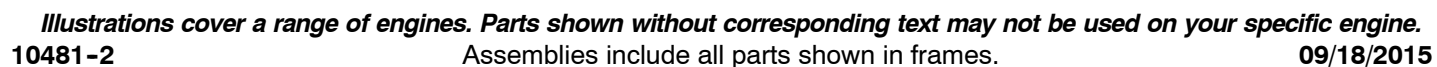

#### **TABLE OF CONTENTS**

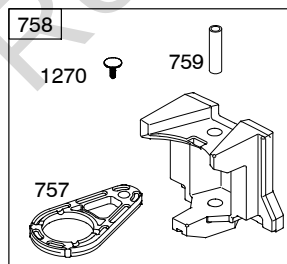

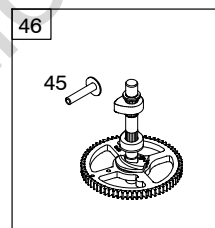

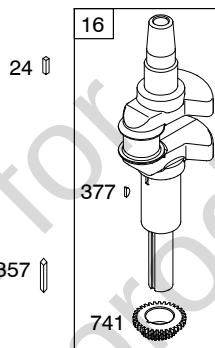

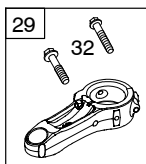

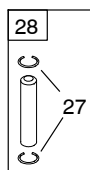

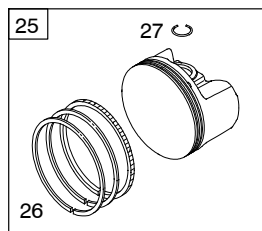

|                                              |     |
|----------------------------------------------|-----|
| <b>Air Cleaner</b> .....                     | 6   |
| <b>Alternator</b> .....                      | 8   |
| <b>Blower Housing</b> .....                  | 6   |
| <b>Camshaft</b> .....                        | 3   |
| <b>Carburetor</b> .....                      | 5   |
| <b>Controls</b> .....                        | 8   |
| <b>Crankshaft</b> .....                      | 3   |
| <b>Cylinder</b> .....                        | 2   |
| <b>Cylinder Head</b> .....                   | 4   |
| <b>Electric Starter</b> .....                | 7   |
| <b>Engine Sump</b> .....                     | 2   |
| <b>Exhaust System</b> .....                  | 6   |
| <b>Flywheel</b> .....                        | 7   |
| <b>Fuel Supply</b> .....                     | 6   |
| <b>Gasket Set - Engine &amp; Valve</b> ..... | 4   |
| <b>Governor Spring</b> .....                 | 8   |
| <b>Ignition</b> .....                        | 8   |
| <b>Intake Manifold</b> .....                 | 4   |
| <b>Kit - Carburetor Overhaul</b> .....       | 5   |
| <b>Lubrication</b> .....                     | 2,3 |
| <b>Operator's Manual</b> .....               | 2   |
| <b>Piston, Rings, Connecting Rod</b> .....   | 3   |
| <b>Rewind Starter</b> .....                  | 7   |
| <b>Valves</b> .....                          | 4   |

| 1        | 697377   | Cylinder Assembly                                                                                                                                 | 23A      | 591950   | Flywheel                                                                                                                                                                                                | 27       | 698469   | Lock-Piston Pin               |
| 2        | 797673   | Kit-Bushing/Seal (Magnet Side)                                                                                                                    |          |          | Used on Type No(s). 0003, 0014, 0020, 0025, 0031, 0036, 0038, 0041, 0042, 0043, 0044, 0051, 0061, 0065, 0067, 0070, 0072, 0074, 0075, 0078, 0085, 0087, 0089, 0091, 0092, 0095, 0096, 0101, 0106, 0114. | 28       | 797013   | Pin-Piston                    |
| 3        | 391086s  | Seal-Oil (Magnet Side)                                                                                                                            |          |          |                                                                                                                                                                                                         | 29       | 791633   | Rod-Connecting (Standard)     |
| 4        | 697106   | Sump-Engine                                                                                                                                       |          |          |                                                                                                                                                                                                         | 32       | 791118   | Screw (Connecting Rod)        |
| 4A       | 592849   | Sump-Engine Used on Type No(s). 0025, 0027, 0031, 0033, 0037, 0044, 0053, 0058, 0067, 0074, 0088, 0091, 0094, 0099, 0100, 0102, 0113, 0114.       |          |          |                                                                                                                                                                                                         | 33       | 792868   | Valve-Exhaust (Chrome)        |
|          |          |                                                                                                                                                   | 23B      | 591760   | Flywheel                                                                                                                                                                                                | 34       | 791935   | Valve-Intake                  |
| 4B       | 799738   | Sump-Engine Used on Type No(s). 0003, 0051, 0108.                                                                                                 |          |          | Used on Type No(s). 0002, 0016, 0037, 0049, 0050, 0053, 0058, 0062, 0079, 0102, 0107, 0109, 0112, 0113.                                                                                                 | 35       | 691279   | Spring-Valve (Intake)         |
| 5        | 796183   | Head-Cylinder                                                                                                                                     |          |          | ----- Note -----                                                                                                                                                                                        | 36       | 691279   | Spring-Valve (Exhaust)        |
| 7        | 273280s  | Gasket-Cylinder Head                                                                                                                              |          |          | 591761 Flywheel                                                                                                                                                                                         | 37       | 697352   | Guard-Flywheel                |
| 11       | 794683   | Tube-Breather                                                                                                                                     |          |          | Used on Type No(s). 0001, 0007, 0011, 0013, 0023, 0024, 0028, 0033, 0046, 0047, 0052, 0054, 0055, 0056, 0059, 0064, 0066, 0069, 0077, 0080, 0083, 0090, 0093, 0097, 0099, 0108, 0110, 0111.             | 37A      | 697626   | Guard-Flywheel                |
| 12       | 697110   | Gasket-Crankcase (.015" Thick) (Standard)                                                                                                         |          |          |                                                                                                                                                                                                         | 42       | 499586   | Keeper-Valve                  |
| 13       | 690360   | Screw (Cylinder Head)                                                                                                                             |          |          |                                                                                                                                                                                                         | 43       | 691968   | Slinger-Governor/Oil          |
| 14       | 790560   | Stud (Cylinder Head)                                                                                                                              |          |          |                                                                                                                                                                                                         | 45       | 690564   | Tappet-Valve                  |
| 15       | 690946   | Plug-Oil Drain (3/8" Standard)                                                                                                                    |          |          |                                                                                                                                                                                                         | 46       | 793880   | Camshaft                      |
