

## Fully Packaged, Fully Set!

Make sure your C-Aire compressor is set up correctly from the start! C-Aire's Fully Packaged Compressors include a factory installed Belt Guard Mounted Aftercooler and Moisture Minder Auto Tank Drain. This is the most affordable way to significantly reduce moisture and prolong the life and effectiveness of your pneumatic tools by removing approximately 60% of the moisture in your compressed air. Fully Packaged units also include an Installation Kit.

### AFTERCOOLER

The Aftercooler is mounted directly to the unit's Belt Guard and utilizes the air drawn in by the flywheel for cooling before the air reaches the tank.

### AUTOMATIC TANK DRAIN

The Automatic Tank Drain operates each time the compressor cycles, stores condensation without wasting air, prevents valves from fouling and reduces corrosion.

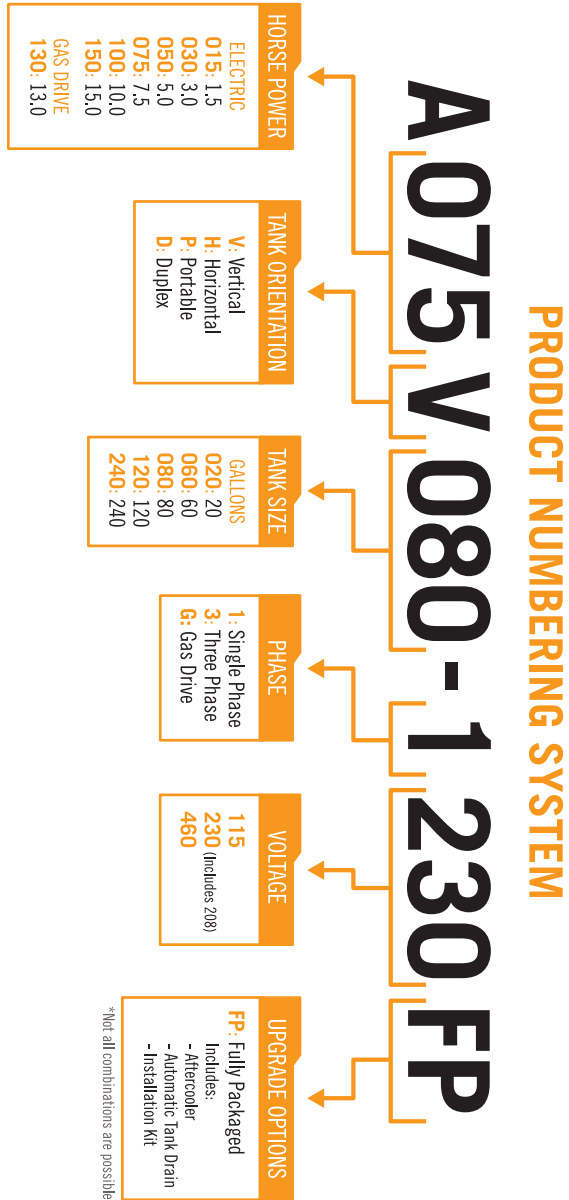

### INSTALLATION KIT

- 4 Mounting Pads
- 4 Anchor Bolts
- Steel Braided Flex Hose

## Three Year Extended Warranty Kit

Want to extend the warranty on your compressor to three years? Purchase the C-Aire Extended Warranty Kit the same day you buy your compressor! Each kit will include enough oil and filters for three years of maintenance.

## COMMONLY USED PARTS

### PRESSURE SWITCH

PART #:	DESCRIPTION:
230-6954	145-175psi
230-6992	110-140psi
230-6955	95-125psi

### COMPRESSOR OIL

PART #:	DESCRIPTION:
LU 25 QT	Non-Synthetic - Quart
LU 25 GAL	Non-Synthetic - Gallon
LU 46 QT	Synthetic - Quart
LU 46 GAL	Synthetic - Gallon

### GAUGES

PART #:	DESCRIPTION:
260-2001	200psi (bottom)
260-2002	200psi (center)
260-3001	300psi (bottom)
260-3002	300psi (center)

### WATER SEPARATORS / REGULATORS

PART #:	DESCRIPTION:
FR WS20CFM	1/4" 20 CFM Water Separator
FR WS50CFM	1/2" 50 CFM Water Separator
FR WS120CFM	1" 120 CFM Water Separator
FR REG25CFM	1/4" 25 CFM Regulator

### BALL AND CHECK VALVES

PART #:	DESCRIPTION:
140-0025	1/4" Ball Valve
140-7575	3/4" Check (80 gal)
140-5050	1/2" Check (60 gal)

### SAFETY RELIEF VALVES

PART #:	DESCRIPTION:
140-0200	200psi Safety Valve
140-0150	150psi Safety Valve
140-0125	125psi Safety Valve
