

## Home Garage/Workshop

The Campbell Hausfeld quick connect air blow gun kit includes 8 piece attachments for inflating and blowing for at home use and commercial garages. The quick connect coupler attaches to the blow gun allowing for quick and easy change out of attachments. Trigger control for effective air flow, adjustable nozzle design makes the air blow gun easy to use. This kit is ideal for inflating sporting good equipment, air mattresses and more.

- **A great inflation starter kit**
- **Easily blows away debris, dust in large or small areas by changing the nozzles**
- **Designed to prevent corrosion**
- **Kit includes 1/4" NPT Industrial Male plug, Quick connect coupler, Rubber blow gun tip, Safety nozzle, 5" extension, 2 Inflation Needles**
