

This Campbell Hausfeld, 30 gallon, 2HP vertical portable air compressor (XC302100) can power a variety of air tools for the serious DIY'er, professional, or contractor. This product will provide up to 5,000 hours of life. With a dual-voltage motor that can operate on either 120V or 240V current, this versatile air compressor can work in more locations. The large semi-pneumatic wheels make this unit easy to move from one job to the next. Designed for quiet operation, the heavy-duty, cast-iron, two-cylinder pump is oil lubricated for a long life and delivers 5.3 CFM at 90 PSI.

## Heavy Duty, 2 Stage, Cast Iron Pump

Oil-lubricated, Two Stage Pump to increase longevity & reduce noise

## Designed with you in mind

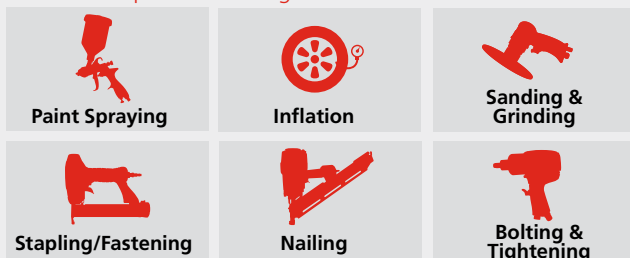

The XC302100 is designed to tackle a wide variety of jobs, from small paint projects and upholstery to heavy duty nailing.

- Dual Voltage Motor**  
 Allows unit to be ran at the normal household 120V for the everyday DIY customer or 240V for the professional, contractor, or serious Do-It-Yourselfer.
- Safe Operation**  
 Fully enclosed metal belt guard for protection
- Portable**  
 Heavy duty wheels for easy portability
