

Extended Warranty Statement

The manufacturer makes the following warranty statement:

THAT EACH ROTARY SCREW AIR COMPRESSOR PUMP WILL BE FREE FROM DEFECTS IN MATERIAL, WORKMANSHIP, AND PARTS FOR 10 YEARS FROM THE DATE OF PURCHASE. Manufacturer is not responsible for downtime during warranty service. If downtime is necessary, a redundant unit will be at the Purchaser's discretion and expense. This warranty applies to rotary screw rotors and bearings only. *The electric engine carries a two year warranty or 2000 hours, whatever comes first. and a ten-year extended warranty is available on the airend. The screw compressor **MUST** have Premium Synthetic Smart Air® lubricant exclusively, the same which must be purchased from manufacturer (Mixing different brands of oil will void this extended warranty and cause the rotors to varnish). All air filters, oil filters, and oil separator filters must be purchased from manufacturer and the screw compressor **MUST** have Premium Synthetic Smart Air® lubricant exclusively purchased exclusively from manufacturer, for this extended warranty to apply.*

1. The original Purchaser must comply with the following requirements each year:
 - a. Purchase an oil sample kit for oil analysis by manufacturer
 - b. Oil sample kit contains 20 oil sample containers. One (1) oil sample will be sent for analysis by manufacturer to oil analysis laboratory every six (6) months so oil can be tested twice yearly.
 - c. Oil samples are obtained by draining 4 oz. of oil into container then mailing sample container to laboratory address provided in oil sample kit.
 - d. The laboratory will perform an oil analysis then email a report to the manufacturer.
 - e. Provide annual proof of purchase for oil/filter service kit if purchased from an online retailer
 - f. Always maintain proper oil level in unit. If the unit runs out of oil, this warranty is null and void.
- a. **Failure of the original purchaser to comply with any of the above conditions pertaining to oil analysis with void the complete unit warranty.** The Purchaser must arrange a full detailed maintenance schedule with manufacturer once a year with the total service completed quarterly, outlining each air filter, oil filter and oil change with the total hours on the unit after each maintenance was performed. Failure to comply in full with this warranty and fully comply with the manual herein will void this warranty.

Exclusions to this warranty also include all normal wear and tear items, including, but not limited to the bearings, rotors, valves, belts, shaft seal and load/unload solenoids.

2. **GENERAL PROVISIONS:** The manufacturer is not responsible for downtime during warranty service. If downtime is necessary, it is the Purchaser's discretion and obligation (at Purchaser's expense) to have a redundant compressor. Warranty repairs shall not include freight costs. If necessary, the Purchaser is responsible for returning unit and/or applicable part(s) to manufacturer. Services such as OIL CHANGES, FILTER REPLACEMENTS, GASKET TIGHTENING TO CORRECT OIL SEEPAGE or DRIVE BELT TIGHTENING and VALVE CLEANING are excluded and not covered under warranty. Further exclusions include failure to fully and completely follow the guidelines set forth in the manual. Of specific note is where a product is used where granite and/or concrete work is performed, or conditions are dusty and the product is required to be housed in a separate room from the adverse conditions where the product has access to fresh air intake.

Parts shipped for warranty repairs shall include only ground freight charges for the first 6 months of the warranty period. Thereafter the owner is responsible for all freight charges of parts shipped for warranty. Any and all express shipping charges of warranty parts shall be at the owner's expense. Standard technical assistance is provided at no charge during and after the standard warranty period.

Standard warranty- Purchaser has no obligation to maintain warranty status, warranty will expire one year from date of delivery. Please see available options to extend your warranty.

All warranties are nontransferable. The Service Kit Purchase Program is effective as of January 1, 2011.

3. **The manufacturer offers this extensive warranty to the original purchaser of our trailers. The warranty starts from the point of sale ship date of the unit.** The manufacturer warrants the trailer main frame to the original licensed owner to be free from defects in material and workmanship with the following conditions: This **LIMITED WARRANTY** does not cover the tires, wheels(see section 5), suspension, paint/finish, lights, wiring or any other features outside of the trailer weldment, the correct operation of the tow bar, and/or the ball hitch mount and the Limited Warranty is determined by the following criteria: one year, to the original owner and is non-transferable, limited to the first accident or overloading. This warranty also DOES NOT cover:
 - a. Products operated in excess of rated capabilities
 - b. Misuse, abuse, or accidents
 - c. Trailers that have been altered, modified, or repaired in any manner not authorized by the manufacturer.

4. **The manufacturer warrants that each new product to be free from defects in material and workmanship for a period of one year from the date of delivery to the original purchaser except as noted below:**
- a. New products which have been operated in excess of rated capabilities.
 - b. Misuse, abuse, or accidents.
 - c. Items that have been pinched (air, electrical, or hose lines).
 - d. Any modifications or repairs not authorized by the manufacturer.
 - e. Second hand or used equipment.
 - f. Wear items such as tires, suspension, bearings, and trailer stand leg.
 - g. Products that have not properly been maintained.

In no way shall the manufacturer be held liable for consequential damages such as rentals of substitute vehicles, loss of profits, downtime, or other commercial losses. This warranty covers shipment of trailer or parts to dealer or authorized repair center and shall include ground freight charges only for the first 90 days of the warranty period.

5. **This Tire Limited warranty** is offered by the compressor manufacturer for a period of 60 days from the delivery of the unit. The manufacturer's obligation under this warranty is to repair or replace, at no cost to the end user, any warrantable part proven defective within the time limit of this warranty. The warranty on tires and wheels is limited to defects in their manufacturer and **WILL NOT** cover incidentals such as but not limited to:
- a. Puncture from foreign materials. (nails, rocks, glass, screws, etc.)
 - b. Rupture from overfill.
 - c. Rupture or damage from use off road
 - d. Damage from improper mounting and or overloading
 - e. Damage from under inflation.
 - f. Damage incurred during accidents.
6. **Kubota Engine America Corporation limited warranty on industrial engines and replacement parts. Kubota engines have a limited engine and powertrain warranty as stated below:**

To register your Kubota Engine please download the myKubota app from:

iOS: <https://apps.apple.com/us/app/mykubota/id1434354490>

Once in the app you will be prompted to scan the QR code located

on the top of your Kubota Engine:

KUBOTA ENGINE AMERICA CORPORATION LIMITED WARRANTY ON INDUSTRIAL ENGINES AND REPLACEMENT PARTS EFFECTIVE JANUARY 1, 2009 OUR WARRANTY TO YOU: We warrant to you, the original purchaser, that all parts (except those referred to below) of your new Kubota industrial engine and replacement parts purchased from an Authorized Kubota Industrial Engine Distributor or OEM Distributor in the United States and Canada will be free from defects in materials or workmanship during the following periods.

1. Industrial Engines for 2 years or 2,000 hours, whichever occurs first.
2. Industrial Engines Major Component Warranty (MCW), 3 years or 3000 hours, whichever occurs first, parts only.

MCW covers cylinder block, cylinder head, crankshaft, camshaft, gears, pistons, rods, flywheel, flywheel housing, oil pump, pulleys, governor, intake manifold, oil pan, ignition distributor. MCW does not cover rings, bearings, water pump, any electrical component, valve train components, accessory parts, seals, gaskets, carburetors, exhaust manifold, hoses, all fuel system components, muffler, any filters, radiator, fan, belts, thermostat, spark plugs, fuel transfer pumps.
3. Replacement parts for 1 year.

WHAT WE WILL DO

We will, at our option, repair or replace any part covered by this warranty which becomes defective, malfunctions or otherwise fails to conform with this warranty under normal use and service during the term of the warranty at no charge for parts or labor. (Parts only for MCW)

WHAT YOU MUST DO TO OBTAIN WARRANTY SERVICE

In order to obtain warranty repairs, you must deliver the product, together with proof of purchase, to an Authorized Kubota Industrial Engine Distributor or Dealer at your expense. The names and addresses of such Authorized Kubota Industrial Engine Distributors can be found on the internet at www.kubotaengine.com, by calling 1- 800-532-9808 or by contacting:

Kubota Engine America Corporation 505 Schelter Road Lincolnshire, IL 60069

WHAT THE WARRANTY DOES NOT COVER

This warranty does not cover:

1. Damage, malfunctions or failures resulting from accidents, abuse, misuse, modifications, alteration, improper servicing, or lack of performance of required maintenance service.
2. Normal maintenance services or replacement of maintenance items such as light bulbs, preheater plugs, indicator and resistant coils, filter elements, lubricants, oils, spark plugs, coolant, or belts.
3. Installation of replacement parts, unless originally installed by an Authorized Kubota Industrial Engine Distributor or Dealer.
4. Non-genuine Kubota parts.
5. Any engines damaged by use of ether or any starting aid, or greater than a 50/50% solution of antifreeze and water.
6. Injection nozzle wear or any engine damage caused by injection nozzle wear or sticking.
7. Damage caused by water entering the engine due to any cause.
8. Used Products.
9. Any damage caused by overheating that is not a direct result of a defect in materials or workmanship.
10. Any Engine not application reviewed.

APPLICATION REVIEW PROCESS: The Kubota Engine America (KEA) application review process is intended to assist the OEM with engine installation to optimize functionality/performance within the OEM's equipment in order to maintain durability, customer satisfaction, and reduce warranty failures and expenses. Kubota cannot anticipate all potential failures and issues that may occur with the engine or product in the field during an application review. Therefore, machine durability testing by the OEM either in a test facility and/or in the field is critical to further reduce the potential for field failures.

The amount of time spent by KEA on an application review is significantly less than the amount of time spent by the OEM's design engineers on the application. Because of this, the KEA application review is intended to identify issues that are within the scope of the application review testing performed and in some cases recommend possible solutions. The KEA application review should never take the place of proper design and testing of the finished product by the OEM.

The KEA application review does not in any way express or imply any additional warranty coverage other than what is stated in Kubota's Limited Warranty Agreement. Kubota and its subsidiary companies are not responsible for (including, but not limited to): failures resulting from any components that are not manufactured by Kubota, misrepresented or incorrect information provided from an OEM, any changes made without KEA's knowledge, any decision by the OEM not to follow KEA's recommendations, or any application related problems or deficiencies that may arise that were not found by KEA's limited application review or the OEM's durability testing.

THIS IS THE ONLY EXPRESS WARRANTY ON OUR PRODUCTS

We neither assume nor authorize anyone to assume for us any other express warranty. The Kubota Distributor/ Dealer has no authority to make any representation or promise on behalf of Kubota Engine America Corporation or to modify the terms or limitations of this warranty in any way.

LIMITATIONS ON OUR RESPONSIBILITY WITH RESPECT TO PRODUCTS PURCHASED AND USED FOR PERSONAL, FAMILY OR HOUSEHOLD USE.

Our responsibility is to repair or replace defective parts as stated above. We will not be responsible for any other expenses, losses or inconvenience which you may sustain as a result of the purchase, use, malfunction or defective condition of our products. ANY IMPLIED WARRANTIES INCLUDING WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE SHALL BE LIMITED IN DURATION TO THE PERIOD SET FORTH ABOVE AND IN NO EVENT WILL WE BE LIABLE FOR ANY SPECIAL, INCIDENTAL OR CONSEQUENTIAL DAMAGES WHATSOEVER. Some states do not allow limitations on how long an implied warranty lasts or the exclusion or limitation of incidental or consequential damages, so the above limitations or exclusions may not apply to you. This warranty gives you specific legal rights, and you may have other rights which vary from state to state.

LIMITATIONS ON OUR RESPONSIBILITY WITH RESPECT TO PRODUCTS USED FOR RENTAL OR FOR COMMERCIAL, INDUSTRIAL OR AGRICULTURAL PURPOSES.

This warranty is in lieu of all other warranties, express or implied, and of any other obligations or liability on our part. IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE ARE EXCLUDED. Our responsibility for any and all losses and damages resulting from any cause whatsoever, including our negligence, alleged damage or defective goods, whether such defects are discoverable or latent, shall be limited to the repair or replacement of defective parts as stated above. IN NO EVENT WILL WE BE LIABLE FOR LOSS OF USE, LOSS OF PROFITS, LOSS OF OR DAMAGE TO OTHER PROPERTY, INCONVENIENCE, COMMERCIAL LOSS, OR OTHER SPECIAL, INC

Standard Warranty guarantee:

- That each rotary screw air compressor be free from defects in materials & workmanship for 1 Year from the date of delivery, this includes the rotary screw compressor pump and all components including the engine. This Standard Warranty includes 1 year of warranty labor from an authorized technician. We are not responsible for downtime during warranty service. If downtime is necessary, it is at the owner's discretion, obligation, and expense, to have a redundant compressor. Parts shipped for warranty repairs shall only include ground freight charges for the first 6 months of the warranty period, thereafter owner is responsible for all freight charges of parts shipped for warranty. Any and all express shipping charges of warranty parts would be at the owner's expense. Standard technical assistance is provided at no charge during and after the standard warranty period.

****Standard warranty has no obligation to maintain warranty status, warranty will expire one year from date of delivery. Please see available options below to extend your warranty.***

- **Extended Warranty:** We will extend your standard 1-year warranty to 10 years on the rotary screw compressor pump and 2 years or 2000 hours on engine. When owner opts into the extended warranty plan, we will extend all other components to 5 years minus normal wear and tear parts included but not limited to valves (intake/suction, check, blowdown, thermo, pop off, unloader), and ball valves. Belts, shaft seals, load/unloader solenoids, sensors (temperature or pressure), Electrical contractors and relays, and any parts used that have a routine maintenance schedule.

- Warranty repair parts under the extended warranty will not include any shipping charges beyond the standard warranty, therefore owner is responsible for all freight charges for warranty parts. This plan includes our advanced technical air support.

In order to maintain Extended Warranty status, the owner must adhere to and purchase from Eaton Compressor the required maintenance items as scheduled below:

- All units are shipped with break-in oil and filters that must be changed to our Smart Oil and new filters at 600 hours
- Thereafter oil and filters should be changed annually or every 4000 hours whichever occurs first, using only our Smart Oil and filters.
- Engine oil and filters must be changed every 100 hours or annually, whichever occurs first, using only our Smart Oil and filters.
- Always maintain proper oil levels in unit. If the unit runs out of oil due to neglect the warranty will be voided.
- Use only Smart Oil and filters in your compressor, or your warranty will be voided.

****Limited Lifetime Warranty Plan:** With participation in our **SMART OIL™** auto ship program Eaton Compressor will extend the warranty plan to a ****Limited Lifetime Warranty** on the rotary screw compressor pump and 2 years or 2000 hours on engine and all other components for 5 years will be included as well, minus normal wear and tear parts included but not limited to valves (intake/suction, check, blowdown, thermo, pop off, unloader), and ball valves. Belts, shaft seals, load/unloader solenoids, sensors (temperature or pressure), Electrical contractors and relays, and any parts used that have a routine maintenance schedule.

Warranty repair parts under the Limited Lifetime warranty will not include any shipping charges beyond the Standard Warranty, therefore owner is responsible for all freight charges for warranty parts. This plan includes our advanced technical air support. Smart Tech Support provides you with the highest level of technical support. Smart Tech support is an interactive support team available to you at your fingertips by just downloading a free app. The app provides free remote meetings, interactive touch display, real live personal to assist.

Limited Lifetime Warranty, is not prorated, and has no hour limits.

In order to maintain Limited Lifetime Warranty status, the owner must adhere to and purchase the required maintenance items as scheduled below utilizing our Smart Oil Auto Ship program:

- All units are shipped with break-in oil and filters that must be changed to our Smart Oil and new filters at 600 hours
- Thereafter oil and filters should be changed every six months or every 4000 hours whichever occurs first, using only our Smart Oil and filters.

- Engine oil and filters must be changed every 100 hours or annually, whichever occurs first, using only our Smart Oil and filters.
- Always maintain proper oil levels in unit. If the unit runs out of oil due to neglect the warranty will be voided.
- Use only Smart Oil and filters purchased from Eaton Compressor in your compressor, or your warranty will be voided.

If at anytime or for any reason, auto ship is cancelled or stopped, the Limited Lifetime warranty will revert to either the Standard or Extended warranty whichever applies to payment status.

- Warranty Shall not apply and Eaton Compressor shall not be responsible nor liable for:
 - Routine service such as oil changes, filter replacements, gasket tightening to correct oil seepage or drive belt tightening and valve cleaning and are not covered under warranty.
 - Consequential damages such as but not limited to cost of loss of business, product damage, or down time
 - Acts of nature, over abuse, malicious destruction, improper maintenance, undersized equipment
 - In the case the product has been discontinued at any point the *Limited lifetime warranty will last five years past the discontinue date. Eaton Compressor has discretion to substitute parts with current model for the five-year duration.
 - Deviation from operating instructions or specifications
 - Labor charges for repairs or maintenance made by person(s) other than an authorized, approved service technician or any labor after the 1-year Standard Warranty expires.
 - Normal wear and tear parts included but not limited to valves (intake/suction, check, blowdown, thermo, pop off, unloader), and ball valves. Belts, shaft seals, load/unloader solenoids, sensors

(temperature or pressure), Electrical contractors and relays, and any parts with a routine maintenance schedule

Warranty shall be voided under the following conditions: Exposing electrical components to rain or water, or installing the unit in a hostile environment such as acid vapors or any caustic or abrasive matter that may be ingested into the pump, or installing the unit in an enclosed area where lack of cooling ventilation is present, such as in boiler or equipment rooms where the ambient air exceeds 100F. Further exclusions include failure to fully and completely follow the guidelines set forth in the manual. Of specific note is environments where fine dust is common, such as granite, marble or concrete plants, the compressor **MUST** be installed in a separate area with its own dedicated ventilation. **FAILURE TO PROVIDE THIS DUST FREE OPERATING AREA VOIDS THE WARRANTY.**

Parts used for warranty purposes must be supplied by Eaton Compressor. Warranty work should be performed by an Eaton Compressor approved Technician. If any maintenance (other than routine maintenance) is performed by a non-approved Technician, written pre-approval must be obtained from Eaton Compressor, to prevent voiding this warranty. Failure to fully comply with this warranty and fully comply with the manual instructions will void this warranty.

Tech Support: 877.283.7614

The oil purchase and maintenance program are effective as of Jan.2020
