COLD WATER GAS PRESSURE WASHER

The DEWALT® DXPW3300 gas pressure washer is engineered to meet the demands of the cleaning professional. Powered by a DEWALT® 208cc engine and an OEM Technologies™ Axial Cam pump, this gas pressure washer delivers 3300 PSI at 2.4 GPM. The 25' MorFlex® hose is kink & abrasion resistant and features quick connect capability. The matted black frame is powder-coated for corrosion resistance and durability. This pressure washer also includes 5 quick-connect nozzle tips, a 16" wand and 10" Premium pneumatic wheels for increased mobility across various terrains. The DEWALT® DXPW3300 pressure washer is Guaranteed Tough®.
