

It's Arrived... Now Protect It!

Extended Lifetime Pump Warranty

At Compressor Warranty, we refer to our worry-free Extended Lifetime Pump Warranty as our "Preventative Maintenance Initiative" that serves as a regular reminder that your compressor requires an oil and filtration change, to ensure it continues to provide years of reliable service.

Benefits

When you choose the Extended Lifetime Pump Warranty, we'll send you air filters for both your air compressor, as well as your Silent Air™ unit, if applicable, along with our Smart Oil™ so that you have what you need to service your compressor on a scheduled basis.

Why is it called the best warranty in the industry?

If a pump failure occurs at any time during the Extended Lifetime Pump Warranty period, we will send the replacement part required to fix the pump assembly, in order to keep your business running smoothly.

Warranty Plans

Downtime and major pump repairs are costly and can be minimized with proper maintenance.

Registering your product within 90 days of purchase qualifies you for extended warranty coverage.
