

The *High Efficiency Air Cleaner MERV 11* consist of efficient, high quality synthetic media. The Deep V-Pleats allow 5x more media than standard filters, providing greater surface area. This reduces airflow restriction for less energy consumption, increasing the effective life of the filter.

Item

High Efficiency Air Cleaner MERV 11

Effective Protection Against

Important Features

- ☒ Merv 11
- ☒ lasts up to one year
- ☒ synthetic media
- ☒ greater surface area/increased dust holding capabilities

Item Number: 82755

Vendor Case Quantity: 2pk. (4-1/2" & 5")
3pk. (3")
