

FS-CURTIS CT SERIES EXTENDED WARRANTY

FS-Curtis is dedicated to providing industry leading warranty programs. These warranties provide additional piece of mind to product which already enjoys best-in-class quality. The FS-Curtis CT products are backed by a standard manufacturer's warranty of 12 months. The Extended Warranty program provides added protection. By purchasing the CT Extended Warranty Kit you are eligible for the extended warranty program. Remember to register your kit within 10 days of purchase and follow the maintenance schedule published in the CT Operators Manual.

EXTENDED WARRANTY REQUIREMENTS

1. All Extended warranties require product registration at www.fscurtis.com
2. All reciprocating Air Compressors must be maintained as per the maintenance schedule found in the Operators Manual and with genuine FS-Curtis parts and lubricants.

The Extended Warranty provides additional coverage above and beyond the 12 month Manufacturer's Warranty. With the purchase and registration of the CT Extended Warranty Kit you receive the additional coverage detailed in the chart below. Maintenance items are covered for 12 months per the standard Manufacturer's Warranty if found to be defective in material or workmanship. Service items include Tank Drains, Belts, Pulleys and Check Valves.
