

MAXair PREMIUM

FEATURES

- Rugged compressor with cast iron cylinders
- "V" Style design minimizes vibration, improves cooling, and extends compressor life
- Individual and removable cylinders for smoother and cooler operation and easy maintenance
- Removeable 6 gallon EPA approved fuel tank for easier fill ups
- 31HP Twin Cylinder Electric Start Vanguard Motor
- Metal air filters with "Auto Drop" feature
- 120 gallon ASME registered tank, 200 PSI rating
- Easy view oil sight gauge
- High efficiency reed valves for maximum performance
- Efficient heat removal from fly wheel for cooler running and longer life
- Sturdy metal belt guard
- Heavy duty 1" ball valve included
- Engine idle control feature that reduces operating cost and unnecessary wear
- 2 year limited warranty
- Liquid filled pressure gauge
- Convenient extended oil drain. Conveniently located ball valve on front of tank for draining moisture from tank
- Industry leading CFM production

31G120TRKE-H-MAP

75
CFM
@ 100 PSI

Ideal for small contractors, highway departments, municipalities, etc.

Eliminates the need for \$20,000 tow behind air compressor for several applications

PRODUCES ENOUGH AIR FOR BORING TOOLS UP TO 4" / DIRT TAMPERS & 60 LB. BREAKING HAMMER & INTERMITENT USE FOR 90 LB. BREAKING HAMMER
