

PATRIOT

Chipper-Blower-Vac™

■ **Great versatility** - A 3 in 1 machine - vacuums and shreds leaves, blows and chips

■ **High productivity** - Reduces debris by a factor of 12 to 1 into large 4 bushel collection bag

■ **Impressive work capabilities** 24" Vac-Shredder, 2" Chipper, 140 MPH Blower

Plus it can effectively clean hard surface driveways, parking lots and garages.

ANGLED GRIPS

Ergonomic comfort with throttle control at your fingertips.

4 BUSHEL BAG

Dust flaps reduce dusty clouds. Easy on-off, with large zipper.

CHIPPER

Two angled knives devour branches up to 2" thick.

XENOY® DECK

Double-walled shredding tower constructed of high-impact, light Xenoy® resins.

LEAF VACUUM

Leaf vac features strong suction in a 24" path.

5 HEIGHT ADJUSTMENTS

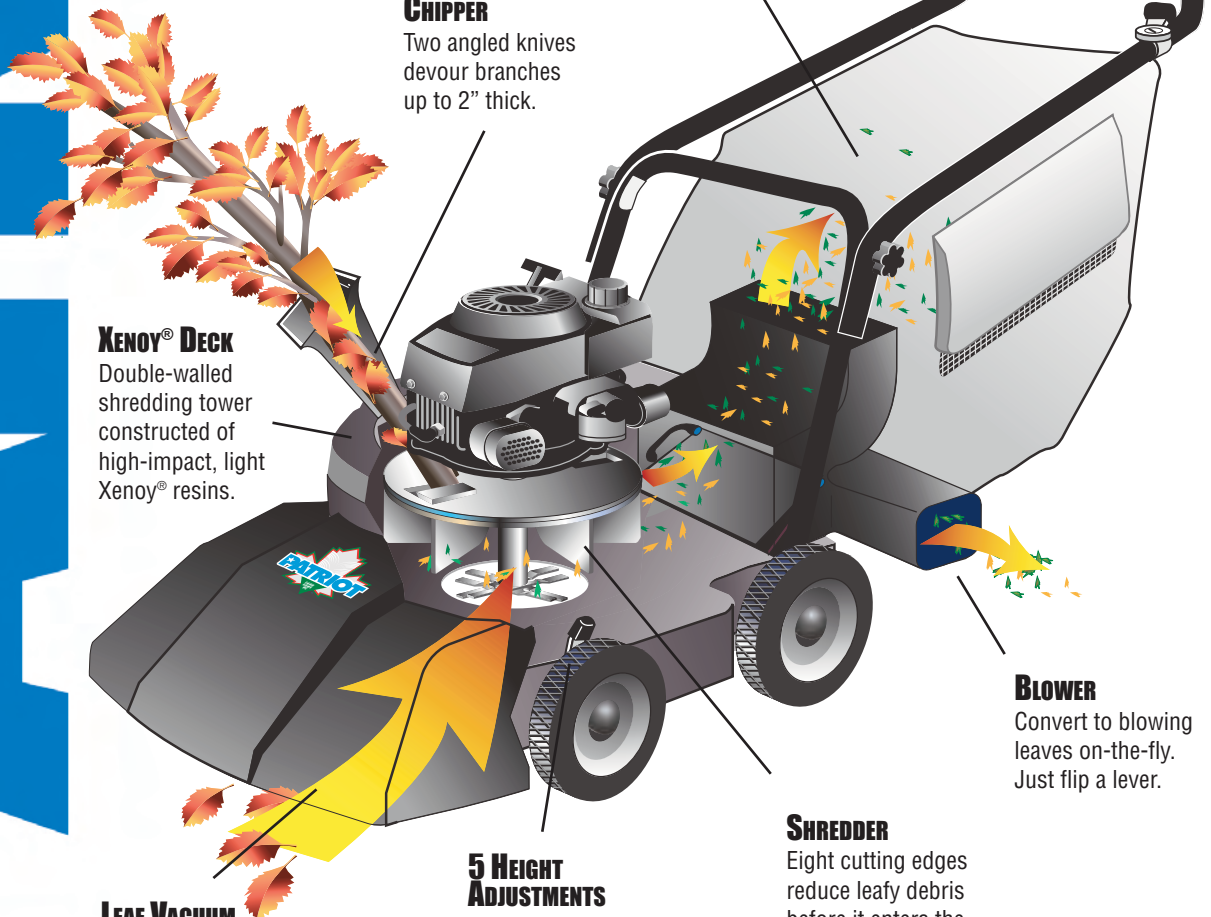

No matter the terrain or the leaf coverage, five settings adjust to the task.

SHREDDER

Eight cutting edges reduce leafy debris before it enters the housing. Reduces up to 12-to-1.

BLOWER

Convert to blowing leaves on-the-fly. Just flip a lever.

A NEW PERFORMANCE STANDARD AGAIN

With Xenoy® construction – a high-grade, engineered plastic from GE– Patriot' s latest yard clean-up innovation lives up to the standards re-cast by its original chipper-shredder.

Patriot vacuums, shreds, bags or blows leaves, and chips thick branches. This is a complete yard debris clean-up system in one light-weight design.

Inside, innovations set new standards of quality and performance. Patriot uses patented cutting systems for better chipping and higher debris reduction. Vacuum flow is increased by a wider 24" path and breakthrough blower-bagger chute. You can switch from debris collection to blowing with the flip of a single lever.

And, once again, Patriot does it for hundreds of dollars less than the leading competitors.
