## PRO-JET DRAIN CLEANERS

Pro-Jet Drain Cleaners are self contained gasoline powered drain jettors that clean out pipes without damage from moving parts. All units feature Honda motors and GP pumps. Units include pulsating jetter valve, adjustable pressure, jumper hose, roll cage, aircraft aluminum frame, hose reel, ball valve and jetter nozzle. For detailed specifications or more jetter options, consult factory.

## PRO-TEST HYDROSTATIC LINE TESTERS

Pro-Test Hydrostatic Line Testers are ready to pressure test the integrity of pipes and plumbing as required by local codes.

The unique pump design allows for the injection of liquid chlorine to sanitize pipes without damaging the pump. Adjustable pressures up to 550 PSI and flow rates up to 10.5 GPM.

**NOTE:** All units are completely factory assembled, tested in the USA, and delivered ready to operate.

See parts catalog for our full line of Jetter accessories.
