

Walk-in Shower Installation Planning Checklist

Before investing in a new walk-in shower, make sure you plan it out with our checklist!

Have I set a budget?

Am I hiring someone to do the work?

Am I remodeling just the shower or [my entire bathroom](#)?

Where will the shower drain be located?

Will my walk-in shower be curbed or curbless?

Do I want a shower niche?

Do I want a shower bench?

Will I be moving the location of the shower fixtures?

Will I be changing the shower fixtures?

Does my drain material match the fixtures?

How will I waterproof the shower?

What tile material will I use in my shower?

Do I want inserts or borders?

What color tile will I use?

What color grout will I use?
